

Dear Katy and dear Pavel !

I really wanted to thank you again for arranging our stay for the festival and to facilitate everything to help us !

Here are we back in Paris and some singers still in their flights... we really enjoy our stay in Zdar nad Zazavou and the great experience to join this festival and to share this experience with the Zdaracek choir. Hope we will have this opportunity soon in Paris or anywhere else ! ! Really great moment. .. it will be hard to come back to our respective jobs...

Please find here enclosed pictures of the 2 choirs and the Soprano Power !!! ;) So nice souvenirs from Everything is nice in Paradise !

Best from Paris.
